UP TO THE TOWN TRUSTEES.

The trustees of Sequoia Union High School and Redwood City Grammar School held a joint meeting yesterday afternoon and reappointed F. S. Rosseter as principal for the coming year. The president and secretary of the high school board were directed to draw up a deed to the corner of the high school block, to be tendered to the the town trustees, the property so deeded to be used as the site for the proposed Carnegie library. This ends the library matter so far as the high school board is concerned. They have offered the best available place and it remains to be seen whether or not it will be accepted. No other suitable place has been brought before the public, so it is up to the town trustees to act with great wisdom when considering the matter.

NOW A REPUBLICAN.

Paul Morton, vice-president of the Santa Fe R. R. Co. and a lifelong Democrat and son of J. Stirling Morton who was Secretary of Agriculture under Cleveland, has renounced his allegiance to Democracy and has become a Republican. He gives as one reason his admiration for President Roosevelt; and his other are these, stated as he himself puts it:

"One reason is the fact that the Republican party has appropriated two of the former cardinal principles of Democracy—sound money and expansion. With regard to the tariff I believe that the Republican party will come nearer to revising it when the time comes than the Democratic party ever would. One trouble with the Democratic party is that it comes out with a new paramount issue every four years. I like the Republican party because it is a party that stands for the material interests of the country—it is a party that has done things."

Mr. Morton's reasons should strike home to every true Democrat. Jefferson, the father of democracy, was the first expansionist, for he it was that took in the foreign territory of Louisiana. The Republican party is the party of action. From its first inception when it passed the Homestead act, one of the most beneficial acts of our history, to the time of the passing of the Panama Canal act, Republicanism has stood for progress. Republicanism has not needed a new paramount issue every campaign. The steady old policy of protection has been found to be the best policy, and that, coupled with the theory of internal improvements, has proved a hard team to beat. Mr. Morton showed a great amount of wisdom in giving the reasons which he did for his change.

John D. Rockefeller wants "sociability in the church." Well, if he will "divide up" every Sunday, we can promise him the "glad hand."

Judge Parker's candidacy has failed to develop the all-devouring momentum of a mountain avalanche.

A machine for announcing spurious coins has been perfected. A device for the detection of humbug political sentiment would be a real godsend.

Will Wed in June.

Dr. John Henry Steinman will be united in marriage next Wednesday, June 1, to Miss Nettie Mildred Schnobel. The wedding will take place at 9:30 a. m. at the beautiful home of the bride's parents, Mr. and Mrs. Adolph H. Schnobel at Newcastle, California. Dr. Steinman has been in Redwood City a short time but has already built up a good practice. He is a graduate of the University of California, Dental Department. Before coming to Redwood his home was in Marysville.

A Big Fourth.

Palo Alto will probably have one of the biggest Fourth of July celebrations seen in this valley for many years. Committed Suicide.

Louis Scaroni, an Italian violet gardener, aged 42 years, who has made his home near the 12-mile house, near Baden, for some years, blew the entire left side of his head off with a shotgun, yesterday morning, about 100 yards from his house. He arose about 5:30 o'clock, dressed himself and went to the backyard. He then took off one shoe and sock and tied a string from the trigger of his gun to his big toe, put the gun in his mouth and blew off his head.

Scaroni was a married man and leaves a wife, two sons and two daughters. He was a quiet man and well respected. An inquest was held before Deputy Coroner Cunningham at South San Francisco at 10 o'clock and the fact was brought out that he had lately lost a lawsuit in San Francisco and that the matter had pressed heavily on his mind. The jury brought in a verdict of "death caused by a gunshot self-inflicted while temporary insane."

This year as usual the exercises will be held in the Alhambra on Monday afternoon. The Rev. H. E. Milnes of the Palo Alto Methodist church will deliver the oration and as Mr. Milnes is a very eloquent young man those in attendance may expect a very good address.

This year the Grand Army of the Republic will have several more graves to decorate than previously, as different members have answered the final call and have been mustered into the unnumbered hosts of the grand army in eternity.

The following is the program:

Commencement Exercises.

The commencement exercises of Sequoia High School will be held in Assembly hall next Wednesday evening at 8:15 o'clock promptly. The public is cordially invited to attend the exercises. The principle address of the evening will be made by Rev. W. A. Brewer, head master of St. Matthews Military Academy, San Mateo. Different members of the graduating class will deliver orations and the exercises promise to be very interesting. The class of '04 is composed of eleven members — seven young ladies and four gentlemen. Of the number six are from Redwood, two from Woodside, and one each from Belmont, San Mateo and Halfmoon Bay. Five of the class will probably enter Stanford University next semester; one will enter the College of Pharmacy affiliated with the University of California, while one other will enter the San Francisco Normal School and prepare for the teaching profession. The remaining four have not as yet definitely decided as to what they will do now, that they have finished their high school course.

The class of 1904 is the seventh to graduate from the Sequoia High School and is the third largest class. It is the last class which will graduate from the the old quarters which are so dear to every Sequoin alumni.

The class this year will follow the precedent established by last year's class and will not observe a class night.

His Pastorate Ended.

After a ministration of two very helpful years as pastor of St. Peters Epiccopal church, Rev T. C. Marshall concluded his labor here last Sabbath. During his pastorate here Rev. Marshall has built up the church and given it a standing which it never before had. He was active in all lines for the advancement of the town and his departure is a loss to the religious interests of this place. Mr. Marshall with his family, left last Wednesday for Los Angeles, where he will have charge of a new mission which is to be started there. It is the kind of work which he is eminently fitted to handle as it will be among the young people and that branch of the work seems to be his forte. Mr. Marshall also had two other calls—one from San Jose and one to New York.

The work of the Redwood parish will be taken up by the Rev. Mr. Crabtree, who will arrive in about two weeks. Mr. Crabtree is a very eloquent young man and a hard worker. As pastor of the Christian church at Palo Alto he was very much liked. He will without doubt continue the upbuilding of the parish as his predecessor did.

Killed by the Cars.

While attempting to board a moving freight train at San Mateo Monday night, a young man whose identity is unknown was killed. Deputy Coroner Booth held an inquest on Tuesday and the remains were brought to the morgue where they will be held for awhile awaiting identification. Nothing was found upon the body which would serve as a clew wherewith to identify it. The unfortunate man was young and of a short and slender build. He had long light brown hair and soft slender hands as though he were not used to work. He was fairly well dressed.

Divorce Suit Instituted.

Through her attorney, W. A. Beasly, Mrs. Mattie M. Edminster has instituted divorce proceedings in the Superior Court of Santa Clara county against her husband, T. H. Edminster. The couple were married here about seven years ago, the wedding being quite an event. Mr. Edminster will contest the suit. One child, a boy, is the issue of the marriage.

Baccalaurete Sermon.

The first exercises of commencement week will be held to-morrow afternoon at 4 o'clock in the assembly hall when Rev. C. C. Kirtland will preach the baccalaurete sermon to the graduating class. The music for the exercises will be rendered by the Redwood City Choral Society and will consist of several numbers. The public is cordially invited to attend this service.

WOODSIDE.

WOODSIDE, May 27—Curran Clark, the well-known real estate man, and wife were local visitors Thursday.

Wm. Lanktree and family have departed for Santa Rosa, where Mr. Lanktree intends going into business.

Mrs. T. Mabel of Santa Cruz made a short visit with her sister, Mrs. Smith, the first of the week.

Woodside was well nigh deserted last Sunday, everybody having gone to the Chamorita in the near-by towns.

John Coates, the popular expressman, and his wife were prominent visitors in this place last Sunday.

Don't forget the dance this (Saturday) evening, to be given by the Tapioca band. Bring your best girl and have the finest time of the season.

PASSING OF JAMES W. BELL.

In the death of the late James W. Bell, San Mateo county has lost one of its earliest pioneers. At the ripe old age of seventy-nine, he was gathered to the silent majority, after a residence of over forty-two years in the old homestead where he brought his young family in early days.

Born in County Tyrone, Ireland, in 1825, he came to America a young man, to carve himself a fortune in the New World. He located in Cincinnati, Ohio, and engaged in carpenter work, but soon branched out as a building contractor on a large scale.

Soon the tales of gold in far away California reached his ears, and like many others, he thought he would try his luck in the land of gold. He had just been married in New York, on February 27, 1850, to Miss Jane Dickson, formerly of County Tyrone, Ireland. So on May 1, 1850, he started from Independence with his young wife to seek his fortune. There was a large train, consisting of fifteen wagons or "prarie schooners," as they were called. A pretty sight they made with their white canvass covers, and sleek oxen, winding their way over rivers, valleys and mountains westward on their long journey to the New El Dorado in their search for gold.

After an eventful journey in which death nearly claimed Mrs. Bell, they arrived at Sacramento August 15, 1850.

In the land of gold there was work for all at good wages. Mr. Bell engaged in carpenter work at $15 per day. He worked but a few days at his trade, as he soon bought property and built a house on it, as it was next to impossible to find accommodations for the fast arriving immigrants, he received high rents for his houses and acquired considerable property on K street, Sacramento. But twice, in 1851 and 1852, fire wiped out his buildings. He built up his property again only to have it destroyed by flood. He now moved his family, consisting of himself, wife and little twin sons, in June, 1853, to San Francisco to engage in the dairy business.

He started the Guadalupe Valley Dairy which he kept for a number of years, in what is one of the most prosperous business parts of San Francisco to-day.

Growing tired of the dairy business, he exchanged some of his property for a ranch of 2240 acres in San Mateo county on the San Gregorio creek. He stocked his ranch just in time to experience those dreadful dry seasons of '61 and '62. His cattle died by the score, but with sturdy pluck he still persevered. Here on what has been known for forty odd years as the "Bell Ranch," he, with his now large family, settled down to make a home. They found little of roads, school houses or churches. Nothing but trails for roads, all freight must be carried on pack animals, and a saddle horse was the only means of getting anywhere.

When the question of a public highway was agitated, he gave free "right of way" through his property and money to help the good cause along.

The want of a house of God presented itself. Mr. Bell kindly came forward and with the Rev. Dr. Warren established the first house of worship in the San Gregorio valley. It was known as the Fairview Congregational church.

When the need of a school presented itself the generous spirit of Mr. Bell spoke again. He donated a piece of land, bought and hauled lumber for a schoolhouse, and with his own hands built a suitable building. He obtained a teacher and boarded him free of charge for years to keep a school, the only one within a radius of miles. Right well he cared for and tended the school that was his "hobby," served it faithfully as trustee to the day of his passing, and it stands to-day a better monument than marble or granite, to the zeal and generous spirit of the man who in the face of many difficulties built and maintained the only home of learning in the valley for many years.

He petitioned for and obtained the Bellvale postoffice, that the district might enjoy the mail facilities that would otherwise have been denied, and maintaining the transportation of the mails at his own expense for many months. He endeavored to have the oil prospects in the surrounding country developed and was the means of bringing the first company, the Pacific Coast Oil Co., to the county, where he hoped to see a great oil field.

In all the countryside there was no more hospitable home than that of Mr. Bell. Far and wide the Bell ranch was known, where its kind and generous-hearted owners gave an open welcome to all; and many were the guests in the days of old who availed themselves of the pleasures and hospitalities of that home.

So he sleeps to-day in the little cemetery at Pescadero, not far from the scenes of his struggles and triumphs. Living well beyond the allotted three-score-and-ten years of man, one more old resident is gathered to his fathers.

A FRIEND.

Will Build a Neat Home.

Henry Buhnie has let the contract with Geo. Allen to build a neat 6-room cottage on his property on the county road across from Graham's tannery.

A PIONEER GONE.

S. G. Stevens, Nurseryman, Summoned by Death.

Samuel George Stevens, the pioneer nurseryman, who has resided in Redwood City for over thirty years, answered the final summons Monday and has joined the great majority of those who have "gone before." Mr. Stevens had been ill for several weeks and it was known for some days before his demise that death was surely approaching.

The deceased was born in Enstone, Oxfordshire, England, on April 13, 1831. As a young man he came to America, locating finally in Redwood City. He saw this place grow from a small hamlet to its present size. On arriving in Redwood he started a nursery business and located at the home which he has occupied ever since. He was a frugal, industrious man and a good citizen. He was a member of the Baptist church, but after the closing of that church here he did not affiliate with any other denomination.

Mr. Stevens was twice married, his first wife dying over twenty years ago, while his second wife survives him.

The funeral took place from the late residence Thursday morning at ten o'clock. The services were conducted by Rev. Robert Whitaker of the Palo Alto Baptist church. The interment was in Union cemetery.

Freed of His Suffering.

After an illness extending over many months Thomas F. Nealon was freed of his suffering last Saturday by the soothing Land of death. Mr. Nealon had been afflicted with that terrible malady, hip disease, for many years, and although it frequently bothered him, he was an uncomplaining sufferer. The deceased was born in Redwood thirty-three years ago and was the son of the late Patrick Nealon. When a young boy he had a fall which afflicted him for life. At about the age of 16 he entered the Times-Gazette office and learned the trade of printer. After mastering the business he left this town and began a roving existence, working in nearly every State in the Union. He was of a cheerful disposition and made friends wherever he went, so it was always easy for him to get a place. His travels extended over many years and he not only traveled over the United States, but visited many foreign countries as well. About a year ago, realizing that his condition was becoming serious, the young man came home to die. His decline since that time was steady, and though everything that loving hands could do was done, he passed away last Saturday in St. Mary's Hospital, San Francisco. The funeral took place from Mount Carmel Catholic church Monday morning and a large number of friends followed the remains to their last resting place in Holy Cross cemetery, Menlo Park. Besides his stepmother the young man leaves one brother and three sisters.

MURMUR OF DISSATISFACTION

Women's Improvement Club Object to Proposed Library Site.

There is a murmur of dissatisfaction among the citizens shared by all members of the Women's Improvement Club in regard to putting the Carnegie library on the high school grounds.

This block is all needed to enhance the beauty of our school, whereas the erection of our library building would crowd, and the difference in size of said buildings in such close proximity would certainly compare very unfavorably, especially for the library, the smaller of the two. Neither would show off to an advantage.

Why should we have all our imposing buildings in a row and on the same street? Should we not erect the Carnegie library where it can improve some other portions of our town?

The fact that the high school lot will be offered for one dollar should carry no weight. The property owners will be taxed for $1000 yerrly in order to maintain this structure, and surely we are also willing to pay higher rates for *one year* should a more suitable lot be offered; we are not deserving of this generous gift did we feel otherwise.

The Club has appointed a committee to look into other sites proposed by the public. We hope this investigation will lead to a better feeling whither or no a more satisfactory location is found.

THE W. I. C.

[The above article was sent to the Times-Gazette for publication by a committee representing the Women's Improvement Club of Redwood City. The library affair is in the hands of a competent committee who will weigh all matters carefully and doubtlessly select a site which will probably please all concerned.—ED.]

Returns from a Long Journey.

Rev. Gibbon, pastor of the Methodist church here returned yesterday from an extended journey through the Eastern States. Though over eighty years old Mr. Gibbon went alone to Pennsylvania, Maryland, Virginia, and Georgia, to visit relatives. Though it tired him somewhat he enjoyed the visit very much and veiwed with gladness the scenes of his early life. He will at once resume his labors here but will retire from active service at the end of the present church year. It is seldom that one sees so well preserved a man as the reverend gentleman at such a great age, but Mr. Gibbon has brothers older than he who are still hale and hearty.

Mill Property Changes Hands.

William Hughes last week concluded a deal with Laban Langley whereby the latter has purchased all of Mr. Hughes' interest in the Hughes Mill, west of Woodside, Mr. Hughes has conducted the business for a number years but will now retire permanently. Mr. Langley will commence work next week and will cut the timber about the old Sampson mill. Enough good timber is standing in that neighborhood to keep the mill running for three years.

DEATH OF MISS SOPHIE HATCH

After a Short Illness She Passed Away Wednesday Evening.

One the saddest things which has occurred in San Mateo County for a number of years was the death of Miss Sophie Hatch in San Mateo Wednesday night. The young lady had been in Redwood City on Saturday and Sunday attending the chamorita and had appeared to be in the best of health. On Monday when she returned to her home in San Mateo she had an attack of vomiting but it was only thought to be a bilious attack. She continued to grow more seriously ill, however, and although all that medical skill could do was brought to bear, she passed away on Wednesday evening. Miss Sophie had not been a healthy child and had been indisposed frequently, so it is supposed that she could not withstand the sudden attack which was brought on by eating berries or ice-cream which did not agree with her.

Sophie Hatch was born in San Mateo fifteen years and ten days ago, and was the only child of Mr. and Mrs. Charles Hatch. As a child she was not robust but by tendar, watchful care, she seemed to grow stronger and developed into a remarkably pretty and sweet girl. She attended the San Mateo public school and was a general favorite among her companions. She was well known and admired in Redwood also, as she spent much time here with her grandfather, A. Underhill, and her aunt, Mrs. H. F. Butts.

The blow of her sudden death falls very heavily on her parents and relatives.

The funeral took place yesterday afternoon from the home at 2 p. m. and was attended by a large number of friends. The pall-bearers were all friends of Miss Sophie's, but six of her Redwood friends were asked to act as honorary pall-bearers and they were: Charles Curran, Roy Curran, Stanley Rice, Hugh Burns, Harold Heiner, Gus Mullen. The interment took place in St. John's cemetery.

A Farewell Reception.

On Tuesday afternoon a number of the members of St. Peter's Episcopal church gathered in the rooms of the kindergarten to tender their pastor, Rev. T. C. Marshall a farewell reception. Games and music were provided and refreshments consisting of ice-cream and cake were served. During the afternoon Mrs. H. E. Heiner, on behalf of the ladies' guild, presented the pastor and his wife a silver bread tray on which was engraved "To Mr. and Mrs. Marshall from the Members of the St. Peter's Guild." The girls' club then presented Mrs. Marshall with a cream ladel, Miss Kittie Crowe making the presentation address. Rev. Mr. Crabtree who will succeed Mr. Marshall and Rev. C. C. Kirtland were among those in attendance.

A U. S. Geological Survey.

A party of twenty Stanford students under the direction of Prof. J. F. Newsom of the geology department, have started to complete the work of mapping the geology of the territory officially known as the Santa Cruz quadrangle, which comprises the territory between Redwood and San'a Cruz. The work was begun from the Santa Cruz end and when completed will be published by the United States Geological Survey, under whose auspices the work is being done. Fred Nobs of this city is a member of the party.

The Challenged Declined.

Word has been received from the baseball manager of the Mountain View High, stating that it would be impossible to arrange a game between their school and Sequoia. This message comes as a reply to the challenge sent from the local institution requesting a try at the national game between the two schools. The refusal by Mountain View is due in a large measure to the lateness of the season, and to lack of baseball organization in that institution. In all probability a game will be arranged next season.

A Good Record.

There were four members of the '04 class of Sequoia who took the examinations in English 17 a and b at Stanford university last week. There were four Sequoians who received credit for passing the same. This is a splendid record. There are but few high schools who can boast that their entire representation was accepted by the university educators. In English 1 b, by far the hardest test exacted by the committee on entrance requirements, Misses Hansen and Beeger received the much-looked-for plus.

A Justice Court Case.

Antone Davis, a Santa Clara youth, was caught in a Southern Pacific Co. box car this week endeavoring to abstract articles therefrom. He was arrested for burglary but on account of his youth, he being only 19, the charge was reduced to petit larceny. He appeared before Judge Hannon Wednesday and pleaded guilty. His honor then gave him a lecture and sentenced him to sixty days in the county jail.

Died From Exposure.

James Edward Jones, a native of Maine, aged 61 years, who has resided in the neighborhood of Pescadero for a number of years, was found dead near that place last Sunday. An inquest was held by Deputy Coroner C. J. Coburn the following day, the verdict being that the deceased came to his death from exposure. The remains were buried at the expense of the county.

A Burlingame Death.

Mrs. Bernardine Blakewell, a native of Sweden, aged 29 years, died at Burlingame Tuesday evening, after a short illness. The funeral was from the home Thursday morning, the remains being terred in Cypress Lawn cemetery.

MENLO PARK OCCURRENCES

Paragraphic, Personal and Otherwise, From the Village of Beautiful Homes.

Twenty Thousand Dollar Mansion Begun—The Parish Picnic a Great Success.

The parish picnic was a success in every way and the event brought together friends and acquaintances from far and near, and friendships were renewed. There was no hitch in the program, and the committee of arrangements did its work well. It is estimated that 1800 people attended. The first section of fourteen cars was heavily crowded and the second section of thirteen cars fairly well filled. The proceeds were much larger than last year. The whole affair passed off in an exceedingly pleasant way and all the committees in charge deserve the congratulations of the entire parish. The games and races were managed well and no one was dissatisfied. The tug-of-war between married and single men was won by the former after a hard struggle. Herman Andersen of Redwood was referee and he gave entire satisfaction in handling the contest. Every one had a good time and no one regretted going. Contractor Alfred LeGalt of Oakland commenced work this week on the erection of a fine new home for Mr. and Mrs. F. F. Moulton. The residence which will be situated next to the Corbett place on the old Atherton tract will be one of the finest in this neighborhood and will cost about $20,000. It will contain fourteen large rooms which will be fitted up in the most approved manner. The exterior of the house will be plastered.

William W. Pettis, a well-known resident of San Jose, died Saturday after a lingering illness. He was a native of New York and 62 years of age. During the war he served in the Eighth Pennsylvania Cavalry. Pettis came to California in 1876 and settled at Santa Cruz, and in 1885 he removed to San Jose. For a while he conducted a livery stable at Saratoga and recently engaged in the meat business at Menlo Park, from which place a few months ago he went to San Jose.

Judge Graham and family of San Francisco, Dr. J. Henry Barbat and family and Mr. and Mrs. Kelly will summer at the Oak Grove Villa hotel. Miss O'Brien, the handsome daughter of the late J. J. O'Brien, will be the guest of the family of Dr. Barbat, who will arrive next Saturday. Mr. Kelly is a brother-in-law of Dr. Galway of San Francisco. Together with the t and boarders, this popular resort will be well crowded.

Mat Crow, the well-known Ravenswood farmer, lost a purse containing $30 in some unaccountable way on the picnic train Thursday. He took out the purse and bought some popcorn after which he replaced it in his pocket. He was setting next to the window and everyone around him was well known to him, yet when he wished to make another purchase the purse was nowhere to be found.

To further improve the sanitary conditions at Stanford university, a garbage crematory will be built. Since the typhoid epidemic means have been sought to prevent a repetition of that terrible ordeal.

A parlor of N. D. G. W. will be formed in Palo Alto in the near future, and among its members will be the first white baby born in Monterey.

Mr. Claussen, who recently bought the small tract near Fair Oaks, has commenced erecting a fence and will soon begin his residence.

School Election.

An election will be held on Friday, June 3d, to choose one trustee for the Redwood City grammar school district, to serve for a term of three years. The polling place will be in the principal's office, grammar school building, and the polls will be open from 8 o'clock a. m. till sundown. J. V. Swift is the member whose term expires, and it is not known whether or not he desires re-election. No other candidate is as yet in the field.

Given His Freedom.

Luggi Luchessi, who was sent to the County jail by Justice of the Peace Pitcher of the Fourth township for threats to commit murder, was given his liberty by Judge Hannon upon the giving of a bond of $500 to keep the peace for six months. Geo. C. Ross appeared for Luchessi and Superior Judge Dunne of San Francisco was one of the bondsmen. Section 708, Penal Code of California, covers such cases.

Twenty Years Trial.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from overwork, dissipation, or exposure, causing week and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 pounds a week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75 cents per box, or 3 boxes for $2, or sent by mail, on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Medicine Company, 128 S. Sixth street, Philadelphia Pennsylvania.

I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.
J. B. BELSHER, St. Louis, Mo.

Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.

Natural Result.

It is very reasonable to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take a medicine into the system that will remove the cause of sickness, and the illness leaves of itself Dyspepsia, indigestion, sick-headache and biliousness, have their foundation in stomach disorders. Remove the other symptoms are no more. There is one cure for this that all druggists sell for 25 cents per box, it is called Dr. Gunn's Improved Liver Pills. They get right at the beginning of the diseases and make the cure by taking away the cause of it. We will send a small box free by mail, or a large box on receipt of 25 cents. Address Dr. Bosanko Medicine Company, 128 S. Sixth street, Philadelphia, Pennsylvania.

Willing to Be Honest.

Phil May, the great English artist, earned his first fame in Australia. One day a broken down nihilister applied to him for charity, and May engaged him as a model. As a joke he also demanded that his eighty-year-old pensioner agree to leave him his skeleton when he died. When May left Australia he called his model in. "You've played me a dirty trick," said May, "by swindling me out of that skeleton. I could have bought one in sound order and condition for half the money you've cost me." The old fellow, conscious of his base ingratitude to his best and most patient friend, answered: "Don't be angry with me, Mr. May. It's not my fault. I meant to keep my word. Stay in Sydney a few months longer and give me another chance to show you that I am a man of honor."

The Celtic Affirmative.

In the speech of so highly developed a people as the Celts there is no equivalent to "yes." Thus it happens that you shall never hear an Irish waiter pronounce the shibboleth "yessir" of his English confrere, for he invariably expresses an affirmative by some such phrase as "I shall, sir." "It is, sir."—

GRIP CONVALESCENCE

There's nothing better than Scott's Emulsion after the grip. When the fever is gone the body is left weak and exhausted; the nervous system is completely run down and vitality is low.

Two things to do: give strength to the whole body and new force to the nerves. Scott's Emulsion will do it; contains just what the worn-out system needs.

Rich blood, healthy flesh, resistive force, more and better nourishment are what Scott's Emulsion supplies to the convalescent.

Scott's Emulsion is the original and has been the standard emulsion of cod liver oil for nearly thirty years. Why buy the new, untried, cheap emulsions or so called wines, cordials and extracts of cod liver oil, when you can buy what is sure to help you?

We'll send you a sample free upon request.
